Dear Concord Elementary Parents/Guardian:

[Elementary Supply List 2023-24](#)

Please find the attached list of school supplies that each elementary student will need for the 2023-2024 school year. (Please note that in some classrooms the supplies are communal/shared resources) We are so appreciative of your efforts to provide these supplies needed for learning; this alleviates some pressure on the school budget. There are three ways to procure these supplies:

1) Concord PTG has partnered with 1stdayschoolsupplies.com to make it easier for parents to purchase supplies online and have the supplies shipped directly to your child's school. Parents should go to 1stdayschoolsupplies.com then type in our zip code and choose their school. Please note the deadline to order is **June 30, 2023**.

2) Supplies can be collected using the attached list as a checklist.

3) If this is a hardship for you, please inform your school counselor and supplies will be provided for your child. If you would like to donate supplies to a family in need there is an option on the 1st day of school site or you could bring them to the open house.

With gratitude...

Sincerely,

Kristen Anderson
Assistant Superintendent of Teaching & Learning
